3RNet – Your Non-Profit Resource for Family Medicine Opportunities
<http://www.3rnet.org>

As a family physician, you know what is important to you and your family, and rural communities often provide a balanced combination of life and work that can't be found in metro areas. Shorter commutes mean more time for leisure and family.

Over 5,000 communities in all 50 states, the Cherokee Nation and the Northern Marianas Islands have Family Medicine opportunities posted on 3RNet. Staff at non-profit state organizations will assist you in matching your personal and professional needs with communities and practices.

The National Health Service Corps (NHSC) partners with the 3RNet members to assist physicians with federal **loan repayment** and **scholarship employment** options. Members also know about all **incentive programs** in their states. Veterans Affairs is also a partner, with a link on 3RNet.

Let us know how your needs can best be met. We can connect you with those who know their states the best - the people who live there!
