

Recruitment Advertising: Family Physicians

American Family Physician®

With a total qualified circulation of more than 168,000, **AFP is the best read journal in primary care.**

Filled with physician-friendly content that can be put into practice immediately and more CME opportunities than all other primary care journals combined, AFP is the professional resource family medicine physicians turn to.

Family Practice Management

FPM is the only primary care journal designed to address physician practice management issues and topics.

Your best opportunity to **list practices for sale and advertise career opportunities to experienced family physicians is in FPM.** See your advertisement in both the print and digital version for one low rate.

American Family Physician | Family Practice Management | CAREERCENTER

The AFP/FPM CareerCenter is the online job board for family practice professionals. **The CareerCenter is an easy to manage recruitment platform** built with tools to help your hiring process remain streamlined, efficient and successful.

Combine your online listing with a print recruitment advertisement to receive **discounted package pricing.** The AFP/FPM CareerCenter is your direct online source to family practice physicians.

American Family Physician and Family Practice Management are the official journals of the American Academy of Family Physicians (AAFP).

Target your recruitment efforts directly to this highly targeted, specialized audience.
