EXCEL

We can make that happen.

If you are a General Dentist seeking an outstanding practice opportunity, we can make that happen!

Saint Francis Hospital and Medical Center, a 617-bed tertiary teaching hospital in Hartford, Connecticut, is seeking a general dentist to work full-time with four other general dentists in our beautifully renovated state-of-the-art facility at the Dental Center.

Applicants must have completed a General Practice Residency. Additional clinical practice experience is desirable. Duties will include clinical practice and teaching in our General Practice Residency Program, which sponsors nine residents. The teaching program is an accredited one-year residency with a second optional year. A wide range of services is provided by the department.

EEO-AA-M/F/D/V Pre-Employment Drug Screening

GREAT OPPORTUNITY GENERAL DENTIST

One of our key concepts is the fact that we are seeking doctors who are seriously looking for career/buy-in positions. We are not looking for worker/employees; we are looking for owner/partners. Dental Associates is a large, fee-for-service, private group practice. We have 27 doctors of whom, 21 are partners. This is a great opportunity for the right person. We have successfully designed and implemented a three-year track leading to full partnership. We are currently looking for a general dentist who wants to be successful and is passionate about providing our patients with great care, enthusiasm, compassion, and friendliness. This is our formula for our continued success. Minimum of one year residency is required.

To learn more about us, visit:
www.dentalassociates.us.
If interested, send your CV to:
thom@dentalassociates.us.

*We are definitely not a "clinic"; our patients see one doctor and his/her team.
We are large enough for convenience, but small enough for individual, personal patient care.*

CONNECTICUT—Dentists. Dentist jobs: Aspen Dental offers tremendous earning potential and a proven practice support model. We eliminate obstacles to owning your own practice. **Call: (866) 216-2269 or visit: www.aspendentaljobs.com.** EOE.

CONNECTICUT—Dentist. General dentist opportunity. Conveniently located in central Connecticut, our state-of-the-art, busy practice is seeking a full-time general dentist. Must be versed in all phases of dentistry. Excellent compensation model. Ownership potential. Residency required or 5 years practice experience. **Please send resume to: Valrab@sbcglobal.com.**

OPPORTUNITIES AVAILABLE

Director of the General Practice Residency Program

The School of Dentistry at the University of Washington is seeking applications for a full-time position in the Department of Oral and Maxillofacial Surgery as Director of the General Practice Residency Program. This is a WOT, partial tenure, or clinical-track faculty position at the assistant, associate or full professor level depending on the qualifications of the applicant. University of Washington faculty engage in teaching, research and service. Qualifications for the position include a DDS/DMD or equivalent degree. The successful candidate will have completed an ADA-accredited General Practice Residency or program in Advanced Education in General Dentistry and have a minimum of two years of experience teaching residents and dental students. The specific responsibilities associated with the position will include administering a general practice residency program accredited to eight to ten residents per year. The position carries with it the obligation to practice general dentistry at an advanced level. There is an expectation that the successful applicant will provide direct patient care as part of the faculty practice in the School of Dentistry and seek and maintain clinical privileges as an attending dentist in the University of Washington Medical Center.

Interested applicants should send a letter of interest and curriculum vitae to:
Dr. John Evans
Department of Oral and Maxillofacial Surgery, Box 357134.
School of Dentistry
University of Washington
Seattle, WA 98195

University of Washington is an affirmative action and equal opportunity employer. All qualified applicants will receive consideration for employment without regard to, among other things, race, religion, color, national origin, sex, age, status as protected veterans, or status as qualified individuals with disabilities. Applications will be accepted until the position is filled.

For more details see the listing at: <http://ap.washington.edu/ahr/academic-jobs/position/aa3781/>
